Lou Ann Beadle - Admissions Coordinator

Since deciding to be a teacher while on a mission trip to Indonesia during college, education has been a part of Lou Ann's life. Her love for children has helped her as she taught overseas for three years; raised and mothered her own 3 children; and served as the Admissions Director and testing coordinator for Cincinnati Hills Christian Academy. She has also been a substitute teacher for 10 years, with many long-term sub assignments in both 1st and 4th grades. She graduated from Taylor University with a BS in Education. She is also an avid gardener, singer, and serves with joy on her church Missions Committee.
